PROPOSED LOT 177

Cancelling part of Lot 1005 on SP298955
Locality of Narangba

1. These notes form an integral part of this plan. No part of this plan may be reproduced without these notes being included.
2. This preliminary house siting plan (PHSP) is intended as an aid in forming an appreciation of the house design potential of the site. It provides a diagrammatic representation of the current Moreton Bay Regional Council Planning Scheme (V4) Dwelling House Code and Queensland Development Code setback requirements applying to the proposed lot. Additional siting requirements may be dictated by the local authority planning scheme or imposed by conditions of the development application approval relating to the creation of the proposed lot. The details shown on this plan are general in nature and are not a comprehensive compilation of standards or conditions to which this proposed lot may be subject. Prospective buyers and builders should seek advice from the approving authority regarding the specific house siting and building restrictions applying to this proposed lot. In addition, service locations indicated on this plan are preliminary only and may differ from the as constructed product.
3. The PHSP is not a statutory disclosure.

Additional siting requirements may be dictated by the local authority planning scheme or imposed by conditions of the development application approval relating to the creation of the proposed lot. The details shown on this plan are general in nature and are not a comprehensive compilation of standards or conditions to which this proposed lot may be subject. Prospective buyers and builders should seek advice from the approving authority regarding the specific house siting and building restrictions applying to this proposed lot. In addition, service locations indicated on this plan are preliminary only and may differ from the as constructed product.
3. The PHSP is not a statutory disclosure.
